“ I remember Penny as a little girl, always smiling. She loved animals and always spoke well of her parents. I can't imagine anyone who was a better daughter. Penny had a big heart. I will miss her a lot. Her aunt, Ruth Maurine Beasley, Bethesda, Maryland

“ I still can't wrap my head around it. You were a big part of my life when I was younger. We talked all the time, Dad would come over and help you do things or just hang out. Then things got messy but you were still there for me. We have talked on occasion but you just wanted to know how I was doing and telling me you're happy for me. It's hard to believe you're with Dad in Heaven now, not too long after his birthday you joined him. Tell him I Love & Miss Him. I've missed you for a while with us just messaging, I have regrets about not making time for visiting. I love you. You are one of the greatest people I've ever gotten to know ❤️👍

“ May God's peace and His grace be with the family. As postmaster at the Gibsonton post office, I remember Penny as being a sweet gentle spirited woman. She had a great love for animals. She was a great employee. She had a heart for others. I know she will be greatly missed but know that she is with someone who loves her more than anyone could possibly love her. May His Peace and Grace continue to be with her family.

“ You are so deeply missed already, thank you for always being there for me when I felt like I had no one else. Thank you for all the memories, thank you for your heart of gold. Give Girl & all the animals we lost a big hug up there for me. You will never be forgotten.

“ On the day Deb and I were married, we had the service earlier in the day. Penny was delivering mail. Well, 8 PM the doorbell rings so I go to the door. There is Penny's smiling face and she said, "You didn't think I wasn't coming, did you?" We sat on the porch and talked for about an hour and a half. Finally, she smiles and says that we probably didn't want to be sitting out there talking to her on our wedding night. She looked at my wife and told her that she just felt so welcome at our home. Dear Penney, we enjoyed your company so much. You will be truly missed by all those who love you. Dear Lord, you have one special angel, take care of her. Amen.

“ *Pen-Pen, I will miss you so much! No matter what kind of a day I was having you could always make me laugh. Being with you and just talking to you was always fun. You have the biggest heart of anyone I know and even when you were mad you did and said everything out of love. I am happy you are not in pain anymore and even happier when I imagine your beautiful smile as you dance around in heaven with friends, family, angels and Jesus. I will miss you my dear friend, I love you. See you soon.*
