“ Louise, Mom, Mawmaw, one special lady to all, who lives she touched. I love you beyond what words can tell. Thank you for being a Mom to me. I am thankful for the special relationship we shared. Thank you for sharing your life, son and children with me. I am not sure how I will spend my days now, but every one will bring a memory of you. I know this is not goodbye, but just until we meet again. We will all have a happy reunion one day. I love you and I miss you. Joyce (Jett) 🥹💛❤️

“ Mom, thank you for loving me unconditionally and always looking out for me and having my back regardless. Thank you for helping raise Justin, he is broken inside in his own way. Know that we all will be ok and have a bit of peace knowing you no longer have to suffer that terrible disease that you were fighting. You can now take care of the flowers up there with dad! Know that you are missed and loved dearly!
