“ *When we were in School, I started the year shorter than Ralph. When the year was over, I was taller than him by a head. At the time, I thought that was great. It's however, not the height of a man that defines him, but the Character contained within! I'll miss you my Brother-in-law. I pray God has you in his hand. Say hello to my Mom and Dad for me and tell them I'll be there with you all in just a little while! May the God of Peace, Love and Grace be with you all. Sorry that I won't be able to attend the service but I'm certainly there with you in Spirit! Love, Clark and Diane Barnes!*
