“ I have known Bullet all my life, he was a kind, considerate Christian man. His mom to myself and my siblings, we called her Aunt Susie. I had not seen Bullet for several years until a few weeks ago. My siblings, myself and our spouse's got together Oct. 26th/ for lunch and to visit. To my surprise Bullet came also, it was great to see him and enjoy his visit. To hear of his passing was a sad shock to all of us. Our thoughts and prayers go out to his family.

He was always willing to help. After hurricane Irma, he was the first one outside helping with his chainsaw. He will be missed ❤️
