“ Not a day goes by that I do not think of you... my first love... the one who taught me how to love... the sweetest person I have ever met... you will forever be thought of and never, ever forgotten. How I wish I had you here with me right now Dad, to share this special time in my life when I am bringing a new life to this world... Although I lost you, a new little man is coming in to my life... your grandson... I promise to make sure he knows everything there is to know about you... love you daddy.

“ *I hope that in these difficult times you all can find comfort and patience to deal with these challenging moments. The legacy should supersede the pain, sorrow. May God continue to share Her grace on thee and bring understanding to every day moving forward. Always hope that tomorrow will bring a different outlook in life. “El Señor los bendiga a todos.”*
