“ Randy Phillips was my brother. Not in a biological sense, but we were as close as any two brothers could be. He cared a lot about me and all of his friends and we all loved him for who he was. He was a close friend for over 40 years and I always looked forward to our opportunities to get together to relive our many old memories and talk about life and anything else on our minds, he was the kind of guy anyone felt comfortable talking to.

Rest in peace brother Randy. We will miss you more than you will ever know. We all hope to see you again one day. I will miss you and your friendship.
