“ *I was so saddened to hear of Randy passing away and my prayers and condolences go out to the family. I feel so bad that I lost touch with Randy over the years. As a teammate in high school and a fraternity brother in college I spent many moments with Randy and many trips from home to Gainesville with a bag of boiled peanuts in his Gran Torino. I could fill this wall with stories of our adventures and thinking of the trouble we got into has brought many smiles on this sad day. I must say I didn't always agree with Randy but I always knew where I stood with him. I didn't appreciate his integrity at the time but as I went out into the real world I learned that there not enough men like him in this world. He was truly one of a kind and he will be remembered warmly.*
