Mommy with this corona virus in tired but I'm being strong just like you showed me by doing my stuff by myself even though I was scared doing it. I did it first was in six grade I had to walk all the way to Rosa de Castillo elementary. I was scared walking by my self then when I started working my first job walking all the way to down town cause I didn't know how to use a city bus or my brother taking me. I would go two three hrs ahead of time to work. But I made it there's time I had ride n time I didn't. But I was scared now that I AM old I'm still scared on being inside car I'm scare crashing I'm not driving because I don't know how n I wouldn't learn how because of the fear I had since small scared everyday. But I'm strong cause I'm thing of my kids they still need me. And the virus is making me stronger just like you where with us raising all of us by yourself that how strong I AM right now just being like you..love you mommy n miss you I wish I could have been there more for you❤️

She hugs her frightened pillow close
When no one is around
And cries for one she loved and lost
And screams without a sound
Ohing into her in the day
And think she's doing well
But every day in evening falls
She misses her own fall
Time goes, I missed her even at all

“ It's 12AM mom, my girls are already asleep and I am just lying here in bed thinking about you. I went by our house in Wesley Chapel this evening it was very depressing. Even though the grass was already about 3 feet tall, the house abandoned, and the house was looking green from not being taken care of I still saw the happy and wonderful days we had there. As I drove in to the yard my mind took me back when we would sit outside or just walk around smelling the fresh cut grass and looking at the trees and plants. Mom I miss you I love you and I wish you were still here next to me.

“ Grandma,
She started as a daughter,
a sister and a mother
I wish i could have known her
the way she was back then.
She quickly grew into a wife
when she was wed to my Grandpa
And from the stories that I've heard,
they gave me joy.

I know there was a reason,
That you had to leave.
To keep us in your watchful eyes,
So now in God I really do believe.
