“ *This is Jace, Ray knew me as Outlaw Jaw. We've been friends for eight years and gamed together at least once a week. He's always had a welcoming presence and was the kind of person who looks out for his friends. Over the years, Ray was ready to lend an ear and support me. He noticed when I was struggling and kept checking in with me. He even tried to get his company to hire me. I'll always appreciate his steady presence in my life. Fly high brother.*

“ I didn't know Ray, I only knew Dub, but he was always a voice on comms you would look forward to hearing. When he was around, my Thursday nights were always more enjoyable. If we weren't laughing for at least an hour a week, it was chatting about everything under the sun until we would barely be able to get up for work the next day. Even writing this, its hard not to shed a tear that I won't be able to have anymore quality conversations with such a kind hearted person that I never had the pleasure of meeting. He was a great friend and will be missed.
