“ Raymond and I go back to Pt Harmony elementary school in Cross Lanes WV where I met him in the 3rd grade. We continued on together to Nitro HS, in West Virginia and graduated in the class of 1963. I am saddened by his passing and will miss you old friend! Always a gentleman! We had a third grade teacher together who was a very Godley lady. I remember being in her class with Raymond and hearing her talk about gathering around the feet of Jesus. That's where I'll see Raymond when I get there.

Mike, what a testimony. You and Raymond both were in the right teacher's room. Thank God for our time in history.
