“ Becky , has been on my mind a lot . I am saddened even more to realize that we live so close and I didn't know it. We were very close friends for a long time and lost touch with a lot of moving around . Becky, Ann & myself were inseparable for so many years. One evening she called the radio station and dedicated a song to the 3 of us : RENAGADES ,REBALS, & ROGUES ! I will always remember this sweet lady and what a great friend she was !

“ Becky was the first woman in the rooms that reached out to me. She helped me get to a meeting when I was feeling no hope in my life. She always had positive words of hope and the promise of freedom. As the tears fall from my eyes, I will always be forever grateful for the generosity she showed me every time she gave me a hug, smiled at me across the room, called to say hello, and always had the message of recovery. She was the most humble, spiritual, and loving person I had the honor of meeting. My life has been forever changed because God put you in my life. I know your in Heaven rejoicing with The Lord. I love you and I pray for you and your family.
