“ Wayne and family, so saddened of your loss of precious Jany. We will miss her tremendously seeing her walk and chatting with her and her doggie. It was always a pleasure seeing her sweet, smiling face and her kindness. She was truly a lovely, beautiful lady. Lots of prayers are going up from this house for you. Every time I look out our office window in front, where we are much of the time, we look right into your house, so we are constantly reminded of you and our prayers go up for you and family. “ *Tim and Stephanie and Family,*

*So sorry for your loss. I did not know Mrs. Shuff personally, but I know what a great person she must have been. I lost my mom in 2010, so I know what you are feeling and will feel.*

*From a favorite song I offer these words :*

*"One thing you need and nothing more,  
to hear the whisper of your Lord.*

*Be still and know that I am God.  
Rest in the arms of My embrace."*

“ *We are both shocked and heartbroken to hear of Jany's passing. We had so many good times together, from tennis and the weekly refrigerator clean-outs at friends' homes to "junkin" for antiques. Even though we have been far away for many years, we always think of Jany and Wayne and the fun we had. We miss her and we send Wayne and the boys and their families all our love and support.*

*Much love,

“ Dear Wayne and family,

*Our hearts, thoughts and prayers are with you. We feel certain that your faith, and love of family, which Jany so treasured, will be what carries you forward. Jany was a strong, kind and lovely Christian lady who found her greatest joy in family, friends, home and church. Jany, no doubt, is a shining light in heaven. She is safe and at peace.*

*I only have good memories of Jany. A bunch of friends got together for a tennis tournament trip to the Bahamas. We went snorkeling one of the days, and ONLY Jany would show up with "PINK" snorkel, mask and flippers. I told her the sharks could see her from a mile away. ONLY JANY could get away with all that "PINK". Love you.*

“ Some people walk through life and some waltz.

*Aunt Jany waltzed.*

*She found the perfect partner in Uncle Wayne, and they danced in time ever so gracefully. Every time she entered a room she had a pure glow and radiance about her, always confident, every movement with purpose and almost as if floating.*

*My wife and I had an old 1928 bungalow so when we came into Plant City to visit my mom and Dad we would make it a point to stop off and see her on Collins Avenue. We would get some ideas on fixing up the house, or decorating, or the best part hearing how the two lion's out front where Tim and Todd her protectors. She was so proud of that house, and more importantly so proud of her family. She would always tell us what the grandchildren where up to, and how much they had grown and how it seemed like yesterday when it was me running around the same way. She was so proud of Tim and Todd and the families they are raising, she would beam with excitement every time we talked about them.*

*She loved all of you.....*

*You will be missed.*

*Love you all,

“ Wayne, Tim, and Todd.....our hearts are broken over the loss of sweet Jany. There are so many fond memories of times spent with her, when Wayne was our Sunday School teacher. She was one of the sweetest, most beautiful woman we have ever known, both on the inside and outside. We know that you will miss her terribly (and so will many other friends). Our only comfort is that she is now celebrating her new life in heaven with our Saviour. We will be praying for all of you in the days and weeks ahead, that God will fill the void and provide peace and comfort.

With all our love,
