“ Rebecca was a great co-worker of mine at Davel Communications. She always made people feel at ease with her humor and kind ways. Although I did not keep in touch with her after Davel moved the Company operations to Cleveland Ohio I still thought of her everytime I use the line "today I need a piece of tape across my mouth" because she used to say that.

My condolences to the family. Rest in Peace Rebecca.

Sincerely,

Patricia Spychala

“ *My Baby Sister who I looked forward to talking to everyday on the way home from work. We talked about everything from family to going on trips and going to Big Lots. We talked about getting old and who would take care of who. I will miss not getting that chance. I miss Her so very much. Von thank-you for loving my Sister.*

“ *Rebecca was always very kind when I spoke with her at work. I never knew the battle she was facing. She was a strong woman and loved by many. My family and I will pray for the peace that passes all understand. Remember her life, remember the "dash".

“ Two nights before EMS picked up Rebecca and took her to the Lakeland Regional Medical Center, I had a disturbing dream. Some thing was standing over me and was quickly raking their hand over my chest. I tried to catch the hand, but could not. Suddenly I reached up and was able to catch the hand, it was Rebecca's right hand. I caught her hand with my left. She whispered "you were having a nightmare". The next morning I called EMS. She was put into ICU and the doctors told me she had a collasped right lung caused by fluid buildup in her chest. That was Easter Sunday!
I love and miss you ,hon. Von

Von, we were very sorry to hear about the passing away of Rebecca. We have known the two of you and your daughter, Rhonda, for many years. Rebecca was a very considerate, caring, and loving lady. She was a joy to be with through the years. She surely will be missed by all those who knew her.
We will always have our memories of her.
May God bless you and your family,
Don and Mary Humphrey

Just got back from vacation and heard the sad news about Rebecca - didn't know her at all well, only seeing her occasionally at classes, but knowing how much she meant to you, my heart goes out to you and your family in your grief.
Remember the good times rather than the later sad times. We are here to support you in any way you need. Thinking of you -
