

## Ms. Rebekah "Beka" Marie Snapp

October 16, 1991 - December 17, 2024

Rebekah "Beka" Marie Snapp, born October 16th 1991, went home to be with the Lord on December 17th, 2024. Always known as "Beauty" to her Mom since she was little, Beka was a very affectionate and loving person who always put others' feelings before her own. Known for her compassionate nature and giving spirit, her love for her family and friends was always shown outwardly and brought warmth and joy to everyone around her.

Beka was a mom of four boys which were her whole world. Although she became a mom at a young age, she was a natural. Above all else, her boys always came first. She will always be "That Football Mom" that could be heard throughout the stands.

Born in LaPlata, MD, Beka grew up in that area until her family relocated to the Tampa Bay area in March of 2000. Out of high school, Beka went into cosmetology as well as pursued positions in the dental field. However, learning from the obstacles that she has overcome and endured, Beka's ultimate aspirations were to provide a safe environment and assist those who are struggling with similar life hurdles. Her other passions included DIY projects, interior decorating, event planning and most of all, window shopping.

Beka was preceded in death by her Nan, Marie Hale (maternal grandmother) and Mary M. Crews (paternal grandmother).

She is survived by her children, Landon G. Snapp (16), Jaxson T. Snapp (11), Colt B. Hunter (9) and Barrett L. Hunter (8); her parents, Debbie Hale-Snapp and Robert Snapp Jr.; her siblings, Aeon M. Hale (45) and Adam H. Snapp (30); her nieces, Lilya M. Hale (14) and Addison L. Snapp (9); as well as many aunts, uncles, cousins and friends.

Beka's life will be celebrated on January 11th, 2025 at 12:00PM at 6001 S County Rd 39, Plant City, FL 33567. Services will be held in the small white chapel next to Hopewell Funeral Home. There will be fellowship following the service.

“ I'll always remember Beka's beautiful big smile and her contagious & fun personality! She was always energetic and full of life and would just put a smile on your face no matter how you were feeling before! She was also one of the strongest and most resilient people that I've ever known! To overcome the obstacles & situations that she did, I was so happy & proud of her! There's not many people that are able to stare that addiction in the face and actually turn their back on it & are strong enough to stand by that decision, but she did! And she looked so happy & amazing after that & I was really excited to see what she was going to accomplish! I might not have known her very well or for a long time, but in her I seen someone to be a role model and bring her smile and energetic cheer & happiness into others lives, changing & helping them with her love & kind soul & heart! I will never forget her, she made an eternal memory in my heart & soul! 🎉🙏❤️💖💖🌹🌸🕯️
