PS

“ Reecy was my uncle, but also like a big brother to me when I was a young boy growing up in Florida. When I got discharged from the Air Force and moved back to Florida in 1974, Uncle Reecy was still there for me... anytime I needed advice or help in any way. I haven't had many opportunities to see him for several years now, but he's always been in my heart. I'll miss him, but glad he's not in pain anymore. ❤️
