“ Rhonda was one of the sweetest most loving souls I have ever known. She was never happier than when surrounded by kids grandkids family and friends. She was also a consummate professional at work and ran a tight ship. She was as dependable as a Swiss watch, had a great sense of humor and always quick to smile. She demanded excellence out of everyone around her but gave it back in every duty she undertook. she'll always have a special place in my memories. I find it difficult to express my emotions at times like this. I can only tell you that watching her go has totally broken my heart! You and your beautiful family will always be in my prayers!
