“ I met Wayne thru Plant City Little League and he was always willing to help and gave much needed direction when needed. Even though I have not had an occasion to speak with him for many years, I gained much inspiration and guidance from him during those years. Gone but never forgotten !!!!!

I was a coworker with Wayne at Mine & Mill. I had so much respect for his leadership and his genuine personality. He was respected by his employees ad well as his customers. Unfortunately; I wasn't aware of his passing so I could have paid my respects to a great man. He will be missed.

“ Wayne was my neighbor and my friend. We went to Turkey Creek high school together. Many times through the years while Wayne was mowing his yard, he would see me outside at my moms house and stop and talk with me. I will miss talking with Wayne. I was very saddened to hear of his passing. My prayers for the family for the loss of a husband and a father and a friend . Sheila Smith
