

Richard Louis Alton Turner, Jr.

July 10, 2009

Our beloved son Ricky went to see Jesus on Thursday, July 10. It was way too soon for all of us here because he loved life and lived it to the fullest. Our lives will never be the same, but we are so thankful that we had him for almost 23 years. He left over 50 family members, hundreds of friends and no enemies, which is a true testament of who he was. He graduated Durant High 2005. He loved fishing and hunting with his brothers, and adored his baby sister; always had a good joke to tell and loved to laugh. He enjoyed basketball with his friends and loved to watch his beloved CANES play at LandShark Stadium. He was a journeyman pipe fitter and sandblaster-painter and never missed a day of work till Friday morning. He was an obedient, respectful son and a very good young man. Rick was one of a kind, the life of the party and will be greatly missed by all who knew him. Words cannot express our heartache and emptiness. The family will receive friends for visitation, Tuesday July 14, beginning at 10 am at Transforming Life Ministries, 3805 Turkey Creek Rd., Plant City. Services will begin at 11 am with Rev. Jim Rodriguez officiating. Interment will follow in Pleasant Grove Cemetery.

“ Please know that we share your grief and are praying for you & your family. We wish we could be there for the memorial service. When my Dad died someone gave me a card that was calligraphied with this true statement, "Death is not extinguishing the Light. It is putting out the Lamp because the Dawn has come." May Christ comfort you!##imported-begin##Susan & Allan Parker##imported-end##

“ Wally, Rebecca, Dallas and Family - Our heartfelt condolences. We have been friends for a long time and Ricky was a fine young man; a young man who left us far too soon. His absence in our lives leaves a sad void. May all of the love you have for Ricky, all of the great times you have shared, all of your happy memories, help to comfort your broken hearts and ease this difficult burden. Know that we love you, you are all in our thoughts, hearts and prayers. “ Although he isn't here for us to hold and to talk to, he is forever watching over our family and we will forever keep him in our hearts. It is unfortunate that he has left at such a young age, but he has gone to a better place. Rick, I didn't know you that well, but you were family, and your loss saddens me, but it makes me joyous to know that you are watching over me and the rest of our family.###imported-begin##Katelyn Turner###imported-end##

“ I had the privileged to meet Rick a few times. The first time I meet him I was meeting my husband "Robert Bearden" after they fished a tournament, Robert was still on the water and I was trying to get to the picnic area with the stroller and was having a hard time, Rick came right over and helped me not know I was Roberts wife at that time. Rick was a great man and my heart breaks into for his Family. I pray for you guys every night and I know that nothing can take the pain away but I pray that God does ease this pain.
