“ To Aunt Cathey, Mikey and others. I know it must be hard to say goodbye, especially when you're not good saying it and to not feel lonely during holidays, but it is easy to open up and tell stories about the good times that you guys have had over the years together with friends, family, and loved ones. I wish you all many blessings.

Mike you will be remembered by many. It was a pleasure to work with you, and work for you. You left behind allot of knowledge that will be used for years to come by the Lucky ones who worked with you. May God bless you and your family.
