“ *Grandpa has always welcomed me into the family with open arms. He always asks how I am doing and how my mom is doing. I will miss him greatly, and I know that he is home and he doesn't have to sit and wait for the Good Lord any more, he is with him, and we should all be jealous. My heart goes out to everyone who holds him dear. What a legacy he has left behind of generations of children who fear the Lord. Love you Grandpa!*
