“ *Rick, I am going to miss you more than you can ever know. Your texts and phone calls almost daily. I know you are no longer in pain and you are probably burning up those roads in heaven with the Best looking truck out there. Tell Sharon, Uncle Jim and Jimmy I said hi and anyone else you might see. I love you and always will. I will always remember the Hope Lodge time we spent together. Love Your Sister, Becky###imported-begin###Rebecca Harden###imported-end##*

“ RickyEddie was the one who kept the transplant family informed. Whenever anyone of us wanted to know how someone was doing we would talk to RickyEddie. We called him RickyEddie because he received his stem cells from his brother, Eddie. We always teased him that he would forever have his brother with him. He will be greatly missed, but I can take comfort that he is reunited with his wife. Tracy##imported-begin##Tracy##imported-end##
