“ *What a funny man you were Richard. I very much appreciated your dry and and "hit one sideways" sense of humor. I enjoyed little chats with you when we shared time in class. I admired your talent and your lay back style. You were a pretty cool guy and I miss your presence here in the cruel world. <3 Love and blessings to Mary Jane and all family. Paint the heavens while you're there waiting for the rest of us.*

The Richard I knew was a kind and considerate man who had a sly sense of humor and often had a twinkle in his eyes. I will miss that along with his wonderful and recognizable city-scapes.

Oh Dick, too soon. Your acerbic wit and intellect was in high regard and hard to match. You never suffered fools gladly but were kind. A soul who saw much that others missed. A wonderful dive buddy. Will miss you sorely.
