“ From the first time I met Rick, he was always had something smart to say with that big smirk on his face. He would come by all the time just to talk. Whether it was just to cut up or needed to confide in me about things that were bothering him. He loved talking about his girls and telling me all the things they were up to and how much he loved them. It was beautiful to hear how much he love he had for them and how he would really do anything in the world for them. I always told him what a wonderful Dad he was even the times he would doubt himself. He always stayed busy working on the farm and as much he complained about how he was over farming I knew he truly loved it and would be lost without it. I remember the time he showed me around all his farms and the excitement he had that day and telling me how he started farming. It was interesting to always hear him talk. He was easy to listen to. We shared a lot of good times together that I will always remember. He was always there when I needed someone to talk to or someone to make me laugh. It will be hard to live life without hearing his voice or seeing his face. He was a blessing and no one will be able to replace his friendship. He truly will be missed.

“ Rick was a good man, a loyal friend and loved by all who knew him. Our friendship goes back almost 30 years and there wasn't a time he wasn't there when I needed someone to talk to, a shoulder to cry on, or just needed to hear words of encouragement. He helped me through some rough times during those 30 years and I thank GOD for him being there for me everyday.

He was never one to judge, always willing to help anyone he met, and a man who loved life and his family.

I will always cherish the friendship that we had and will forever hold our memories close to my heart. I'll miss our talks...

Sending Love and Prayers to the family. I am so sorry for your loss. May God wrap his loving arms around each of you and give you strength for the days ahead.

“ I have such fond memories of my cousin Rick.
We grew up together as small children and always enjoyed each other's company. I'll never forget how we used to play in that big dirt pit behind his house as well as swinging on the little swing set that had.

Rick has always been a blessing to the people who were lucky enough to know him. He had a kind heart and was always there for his family.

I'll never forget his generosity when we lost our beloved little Donnie and how Rick opened his heart up to his family.

To know Rick was to love Rick.

Thank you for all the wonderful memories my sweet cousin.
You will forever live in our hearts and minds. I love you Rick.
You're cousin, Glenda 💔
