“ Bo was a true gift from God to all who knew him. He was selfless, patient, gentle, kind, giving, faithful, and good. He empowered others through his walk and witness of the gospel of Christ. He was a natural leader and hard worker who was always willing to help others with ANYTHING they needed. He never missed an opportunity to pray with you and for you. He had a deep faith in Christ and lead many others to God through his example. He was proof of the work that the Holy Spirit can accomplish. He was the love of my life, the type of man that I dreamed of, but never thought I would find. He was an old-fashioned door-opening, flower- buying, house-cleaning, romantic dinner cooking, thoughtful surprise around every corner type of guy who won my heart through the true biblical definition of love. He is so deeply missed and the little bit of time I had with him is worth more to me than gold. I have so many beautiful memories with him that I am grateful for. He made an impact in my life that will never be forgotten. I lost my best friend way too soon!! Love, Tina S.
