“ I have known Robbie for so many years now. I remember when she had little pigmy goats. We got a few from her Back then. Giving our daughter, now grown the best play partners. So many years of friendship followed. She just became a part of my life. I last time I spoke to her was the day before I heard the sad news of her passing. I'm so glad we spoke & had a few laughs. I find comfort in knowing she is at peace. God bless her & her family during this time.  
I will miss you Robbie !  
Thanks for The friendship !
