“ Our thoughts and prayers are with the Jimenez family. Our hearts hurt with them. When we loose a child, the hopes and dreams we had for them will not be realized. However, our Heavenly Father holds them in His hand and he has the master plan. We don't understand but we trust Him to hold them close to His heart.

“ I never met Robbie, but his mom, Cathie was an active participant in our Polytraumatic Injury Family Support Group while Robbie was in-patient at the James A. Haley VA, Tampa. We experienced her heartache, her pain, her hope and now for Cathie and her entire family, we stand with you as we, along with all of the family, experience your profound loss. May Robbie's struggles be over, may he be greeted in heaven with open loving arms, and may his memory be eternal. Peace & Love, Olga
