“ Big Papa. I'm almost 18 now and I'm scared because I never thought I wouldn't share more time with you. I am thankful though that we got as many years as we did together. I know you are resting in peace now. You are a great man and to this day you still inspire me to be the best person I could be. I miss you and love you so much. I pray that you will continue to watch over me and please save me a spot next to you i still have a little while longer
