“ *I am so saddened to hear of your loss. Uncle Bobby was such a kind hearted and tender man. I remember the sweet smell of saw dust, learning how to milk a cow and the fine art of shooting the milk into the face of a kitty - compliments of Uncle Bobby. I was always so amazed by his ability to take a chunk of wood and turn it into a work of art. As I think about his life, I think of the great legacy that he is passing on to so many. An incredible work ethic, a sense of pride and accomplishment in a job well done, living within your means and always having a kind word and a friendly smile. How fortunate we all were to have had our lives cross his path and be influenced by his.*

We are holding the Carter Family in our thoughts and prayers - Tim, Mardee and the rest of the Harvey Crew.
