“ Donna and Family, it is very difficult to put into words the profound effect Robert had on my life. I always loved his unique perspective on every situation we ever delt with. Both at home and at work. I was very fortunate to be his project manager and team mate on the first project he ever built for Hawkins Construction and I still remember it to this day. The project started a relationship that I will cherish always. We are truly blessed to have been able to share him in our lives and I know he will forever be looking down on us and guiding us in the way only he can. Please know you are in our prayers and God Bless you. Here's to you Robert! We may have lost you here but Heaven has gained an Angel to be reckoned with.

“ Willie, you were the best friend of my best friend, so you were my friend, too. Thank you for 33 years of always honoring and supporting that friendship. I hope they have banana pudding in heaven! You will be loved and missed forever, but I know you will be looking over Donna and your boys and all of us. God bless until we meet again. Rest in peace, buddy.

“ Robert & Donna were a part of my life since before I was even born. They are family and Robert was one of my dad's best friends. Robert was such a good man and he will be loved and missed forever. I have so many memories of times with Robert & his family I could never list them all. Donna, Andy, & Bryan, I wish peace for y'all during this tough time.
