“ *Debbie- this is a LONG time in coming and I sincerely apologize for it. Uncle Don was a 2nd father to me in many ways. I will always remember how he and your Mom would stop in to check on Grandmother. The shucking of the oysters when I was little with Dad in the garage, the 1st home - the old white house on Dranefield (how I wish I had a house like that), the bbqs on the back porch of the brick house, the driving of the WW 2 jeep in the pasture that didn't have any breaks. No cattle were hurt thankfully and learning to drive it helped when I went into the Army! I'll remember the trumpet that Uncle Don loaned me when I took music/band in 6th grade. The camping trips- which paid off when I took the boys camping and later when we joined scouts. There are just so many wonderfully filled memories. Love you. Mickey*
