“ *He was the most caring and selfless man and the best role model. I'm gonna miss sitting around watching tv with him and making funny snapchat of him, but I know God wouldn't have taken him if he didn't need to. He was called to heaven and will carry out eternity without pain and in the most divine place, you will be forever missed papa💔*

“ *No words can describe the emptiness I have inside my heart. Your love was unconditional. The only man worthy enough to be called my DAD. I'm so blessed to have been raised by such a loving and caring man. I know you are in a better place and free from pain and suffering. Rest In Peace my sweet angel. I love you ❤️*

“ *You are the most loving, selfless man I've ever met. You have always put everyone else before yourself. I feel so blessed to have had you as my dad. I've learned so much from you. I only wish we could have had more time together but I know I will see you again. The Lord called you home and needed you. I take comfort in knowing that you are pain free and reuniting with loved ones. I will hold your memories close to my heart until the time I am called home to the Lord and will get to be with you again. I love you more than words can express.*

“ I am only now beginning to understand how losing a father feels. I am glad he is no longer living in pain. However the more memories of him I recall the more new memories I want to make, although I know I can no longer do that. I now can only make him proud by continuing this path of life and letting the goodness he has instilled in me rub off to the rest of the world...thank you Papa I will continue to make you proud.
