“ I'll never forget the first day I met Mr.Kelley I was answering an add for a house that he had for rent. I spoke to him on the phone and arranged a time to go look at the house. I met him around 6:00 pm one evening and the first thing he said to me was that he was looking for someone who was going to stay in the house longer than 6 mos. I bet when he said that he didn't realize we would be there for the next 15 years and still are. he was the best landlord anyone could ask for. prayers out to Anita, Rob and Sommer may God guide you through this time of need!

“ Robert Kelley was a friend and competitor for many years in slow pitch softball league in Hillsborough County- playing for Turkey Creek Baptist Church - he was a great man on the field and off the field he gave all he had on the field and off the field- he was one who gave words of encouragement to get the best out of you and always picking his team mates to do their best and he lead them by action more than his words- I will always remember all the competition but more than that I will remember the man Robert Kelley a true field through thick and thin who I will miss- the calls and his inquiry to me about the politics which control everything in our lives as labor union people fighting the good fight for what is right for the working class- Rest In Peace may Brother and may your family find peace, comfort and grace to sustain them until they and I meet up with you later on my friend !!! With Great Memories- Floyd

Robert, was a Dear Friend to me all the way from 7th through 12th grade. We were polar opposites. He would tell me to cover my innocent ears when he wanted to say something he didn't want me to hear. He was a mess. He was a sweet kid and good friend. I came almost in contact at least we would pass hellos along to each other in pass few years because of my precious niece marrying his great friend Tony Cribbs Son. I am so sorry for all of you in the Kelly Family. Robert could make you laugh when you didn't want to and he had a great big heart. I remember how he was there to help Eddie & Darlene Mercer when their young son passed so many years ago. I am sorry for Tony and all Roberts other friends to . He will be greatly missed.
