“ *Mr.Moore you shall be missed. I remember our daily feedings and how I would talk to you and your response was always hmmm. I loved you very much as you reminded me of my father and treated you as you were him. I'm am glad that you are whole and at peace. I hope your wife can find peace among missing you. She was so dutiful and visited you every day and was a loving wife. Peace be with you and your family. I love and shall miss you*

“ *I choose a blue candle because it brought out your eyes whenever I dresses you in your blue shirts. I'll never forget the way your eyes sparkled when I said your name. You couldn't talk, but you knew I was there. I have missed you and Your wife ever since I left FPH. Rest easy Mr. Moore.*
