*Bobby was special to everyone, Kenneth and I use to keep him some when we had Andy and Crystal. We did not keep him as much but often. I remember when we kept him the first time for Keith and Hazel to go out on New Year's Eve. We did not have a crib so we put our Captain Chairs together and draped a quilt over the arms so he would not fall out. He slept quite well, after we finally got him to sleep. That became his bed when we had him until he outgrew it. He was always very active, sometimes hard to keep up with, but we loved him very much. We all prayed for a miracle, but God had other plans. May God Bless and Keep each of you through this difficult time. We love each of you very much. Aunt Melba and Uncle Kenneth Putnall*

“ While I didn't know Bobby, I did know his father, Keith Putnall, who used to work for my father, Bobby Watts, who sold auto and racing parts in Central Florida until his passing in 2018. My deepest condolences to you, Keith, and to the rest of your family. Gordon Wayne Watts

“ Bobby and my husband, Aaron have been friends since they were little boys. Aaron always shared stories from your childhood fishing, playing and the trouble y'all would get into.....I first met Bobby in 2018, we became friends instantly. So many good times watching football, cooking out and a camping night at his house. My thoughts and prayers to Corbin, Keith, Reed, family and friends. I'm glad we had the talks we had even though you'd roll your eyes at me. You left us way to soon. We love you Bobby and we'll never forget you. I know you're now free of pain and sickness.

*We love you Bobby

*We little knew that morning  
God was to call your name.  
In life we loved you dearly,  
in death we do the same.  
It broke our hearts to lose you,  
You did not go alone.  
For part of us went with you  
The day God called you home.  
You left us beautiful memories,  
Your love is still our guide,  
And though we cannot see you,  
You are always at our side.  
Our chain is broken,  
and nothing seems the same,  
But as God calls us one by one,  
The chain will link again.*
