“ I first became acquainted with Robert Earl in 1946 when we were fellow classmates at Pinecrest School. After second grade I relocated and we lost touch for many years. Perhaps fifteen years ago we were reacquainted through Abbot Chandler, a mutual friend. Since then we've enjoyed many good times together around the syrup kettle and also in bible study class. I will always treasure those times. My deepest sympathies to the Reynolds family during this difficult time. Bob Hester

“ Daddy Reynolds was a wonderful, caring, considerate man that welcomed me into his family years ago. I have many heart warming memories Of him, that I will always treasure. His words were always kind and soft spoken, his hugs embraced my heart. He was a gentle soul that touched mine deeply. He will be greatly missed by all those fortunate enough to have had him in their lives. He is in the sun, the wind, the rain, in the air you breathe with every breath you take.

“ Pops will be truly missed. Many treasured memories will never be forgotten. In comparison to the short almost 6 years, I've had the honor to get to know Dad Reynolds and his caring, passionate heart. I will not forget the talks we had at my fence, as I was doing morning (or evening) gardening chores, about farming animals and growing food. He's definitely rubbed off on me! He is a wealth of knowledge, and a true inspirational go-getter. Love you Pops. See you, Jennifer
