“ *My kind and gentle Cousin, will be missed so much!  
When we gathered a few years ago in honor of our cousin Billy Robert, he did all the grilling! He had his sweet laugh and grin every time I referred to him as our "Grill Master".  
He made a difference with his sweet personality, to so many!  
Terri and Janice are amazing people and also so kind and gentle!  
There was no doubt he knew both of you loved him so much!  
Aunt Jean and Uncle Johnny certainly raised a wonderful family. I am proud of all of you!  
Your love will continue for each other, and there will be good times again in the future!  
Love conquers all.*

*I always tried to be the best sister I could be, even tho we always joked, I was #2, behind Janice. I will take that. It took two of us to equal one of you. Until we meet again, Godspeed my brother. Love you always and forever.*

*You and Janice were the very best sisters! All of you are kind and loving, and you showed it to him and others. You never have to feel as number two....his love was certainly big enough to have two sisters as number "1" in his heart!*

“ I have know Robbie ever sense I was in training pants. We grew up seeing each other off and on when going over to his families house. He was always going somewhere when we got there. Then later in life (teens) we meant again at Church when he was dating someone else. They later broke up and we start dating. Somehow we went our different ways. He has never left my thoughts through and heart the years. He indeed was a special person to all of us. RIP Robbie love u
