“ *We are gonna miss you Robert, you have been apart of our family for so many years but still not long enough. Remember hanging out with you and your cousins running around the neighborhood, becoming life long friends and then a brother-in-law by marrying my sister.*

You love The Lord, a good man, fought for our Country and so Proud if it! And we were proud of you! Larry and I among others are gonna miss your comical side, because you were funny at times with some of the things you said. You were a good husband to my sister for 42 years and not to many people can say that or even do that, but you did and for that I want to Thank You!

I know that you are happy being in heaven with your momma and sister and other love ones, so for now I will say see ya later!

God Bless and we love you!
