“ Uncle Randy & Michael,
Our hearts & minds cannot comprehend your loss. Aunt Robbie was such a terrific influence and example as my Aunt. I will always remember holding hands between the two of you when I was little girl. I don't know where we were but perhaps shopping somewhere as it was in a parking lot. All of Christmas'es and Holidays as a family were made more special by all that Aunt Robbie did for us. She helped me buy my first house and her love of crafts influenced me to love them, too.

I know she is with Mr. & Mrs. Manley as well as having biscuits with Granny, Pop, Daddy & Justin. She's that another angel looking down on all of us.

I love you both so much. Mine & David's thoughts, prayers & love are sent to you with all our hearts.
