“ It has been almost 6 years since you passed away. Time is flying by with no way to slow it down. I wish God could have left you on Earth just a few months longer so that you could have seen your granddaughter. She looks into the sky at night and talks to the man in the moon (you). She tells you about all kinds of stories. Dad these last few years have been so hard and I feel like I have had to be the glue to keep everything together. I just don't know about anything anymore. I don't have you and I lost my rock. You kept me grounded when everything seemed to be falling apart. If Heaven had visiting hour you know I would be there everyday. I love you and miss you greatly.

Love your little helper,  
Krystal

“ Tomorrow makes two years since you left to be with Nanny, Granddad & Uncle Shane in heaven and it hasn't at all got easier. You were much more than just a daddy to me. I looked up to you. You inspired me to be the person that I am, and I promise I'm gonna make you proud. Losing you at such a young age hasn't been easy for me at all I've always dreamed that you'd be here to watch me walk across stage and graduate, and now that it's getting closer and closer to that day I just tell myself that you'll still be there with me the whole time. Just like you are with me with everything else. I know your no longer suffering and that you aren't in pain. But I miss you so much ! I love you daddy and I'll always be your little girl.

“ Rod will forever be remembered as a friend with his antics keeping us all on our toes at the office. We never knew what he had up his sleeve to terrorize us. He will be remembered for talking about his family and the pride he had in his children's accomplishments. RIP dear Rod. Prayers for Katrina and the family at this difficult time.

“ Our thoughts and prayers are with you during this difficult time. We will miss Rod not only here at Florida Cable but as a friend also. Many, many memories flash through my mind as I look back over the years that I have known and worked along side my friend Rod. Bless your family. He wouldn't want you to be sad. He was so very proud of his children and talked about his family often and with such love.
