“ My first born child, only time will mend the hole in our hearts, the loss of you has created. We all miss you more than words could ever express. We will see you again one day and what a day that will be. We who share this great loss, we will keep on living, as we know you would want us to, trying to be happy, looking out for each other, and living life to the fullness. Until we meet again, rest in the loving arms and peace of our Lord and Savior Jesus Christ.##imported-begin##Mom (Denise Fortney)##imported-end##

“ Eric you will always be remembered and never forgotten. You were a very good friend to Robert and myself. None of us understand WHY we had to lose such a good friend, but we all know there is a reason. Because God has the reason. May you rest in peace! And we shall meet again my friend. Barbara, Alex, and Zach, always know that Robert and I are here for you.##imported-begin##Sarah##imported-end##

“ To My Dearest Husband, Lover, Best Friend and Soulmate I love you and miss you more than anything. I know you are at PEACE now, but its still hard on me to know I can never hear your voice again or see that smile that I loved so much. I know our marriage was full of ups and downs but it never made me love you any less. Our 18 yrs are full of memories I will cherrish 4-ever. You gave me 2 beautiful sons that i will love and cherrish 4-ever. I know the Lord took you home so you could finally find the PEACE and HAPPINESS you were searching for. May you R.I.P. and be waiting for me at the pearlie gates when I come home. Till then I LOVE YOU!!!!##imported-begin##Barbara Dean##imported-end##

“ Eric, It's still hard to wrap my brain around the fact that you won't be popping in the office with that sweet smile of yours. Rachael, Leann and I loved when you'd come visit and break up the monotony of our day. I look forward to meeting you in heaven, "With Arms Wide Open"! Barb, If you ever need ANYTHING, just know that I am here for you always. All my love and condolences, Becky##imported-begin##Becky Sumner DeShong##imported-end##
