“ We just found you only to see that you passed years before we knew of you. It sounds like you were a wonderful man and we would have been so proud to know you. God bless you and yours.

“ One of my earliest memories of Rodney was when we were about nine or ten and rocking out to a 45 of "Kung Fu Fighting" at his house. Complete with all the karate moves and kicks (which he kept telling me I was doing wrong. LOL). As with most Air Force brats, we fell out of touch after a few years. I feel that it was my loss. If he was as good and kind as a man that he was as a kid I am sure he has affected a lot of people in a good way.
Bobbie, Al, Rhonda, Leia and Amanda, my thoughts and prayers are with you all.

“ *Bobbie and Al. I am so sorry to be in touch with you after such a long, long time on hearing such sad news. My heart goes out to all of you at this time. It seems like that the years have certainly passed quickly. I still remember that Al and I have the same birthday except that I think he has a few years on me. Give my sympathy to Rodney's wife and family and Rhonda also. You all will be in my thoughts and prayers. Take some comfort in knowing that friends and family are sharing this sadness with you.*

“ *I was so sorry when I learned of Rodney's passing. I met Rodney when Leia and he were just dating and he was always polite and personable. I will keep Rodney and his loving family in my prayers and hope that your memories of him will inspire you all to do as he would have wanted you to. May God bless you all.*
