“ Roger taught me in Sunday School once upon a time. When we came to a name we couldn't pronounce, he would say, just say wheelbarrow someone will say it right. I loved Roger. I will never forget him. Here's a picture of me, Joe Gregory and Roger at Jimmy and Babs house for a Christmas party, in short sleeves. Only in Florida.

“ *I worked with Roger when he was working for the county. He was an amazing person and always so kind to all of us at Plant City Head Start and Bealsville Head Start. Everyone loved him very much. I am sad to hear the news of his passing, and he will be missed greatly. My thoughts and prayers are with the family and friends. I have no doubt that he is smiling down at us. (Roger, it was an honor and a great pleasure to have met you, call you a friend and co-worker. May you rest in peace. Until we meet again....).*

“ *I am so sorry for your loss! Roger was an amazing person who loved his family, and always had a positive outlook on life. He will be missed! I am sending my love to you all! He always kept a smile on my face with his humor. I will never forget the time he was riding his lawn mower across the basketball court at Keysville Park and picked up the basketball and shot it as he yelled drive by shooting. Roger and I laughed so hard! What made it even funnier was the fact that the kids did not understand why we were laughing so hard.*

“ Although we didn't know Roger for an extended time, his faith, love of family and quick humor were very obvious. We, too, will miss him. He is resting with his heavenly father, but will always live in your hearts and memories. May God bless each family member and friend.
