Roger Green was an incredible, original, one of a kind man. His kindness influenced everyone that knew him. He was always the giving kind. He always treated me like family. I was definitely blessed to know him. I'll never forget the memories I have of him or the things he taught me. RIP Roger !!!

*You were a nice dude!
Thanks for taking me airboating and fishing. I sure miss RJ. I hope you're both having a blast in the afterlife.
I'll see you when I get there.*
