“ *My heart is hurting. I will miss you. I'm so sorry that I didn't know how bad you were hurting. When we talked and you ask me if it will ever get better I said yes day by day. I'm so sorry that I couldn't help out more and support you more in your time of need. Go in peace my sweet other father. I have always looked up to you as a child. You were always good to me. One of the things I remember most is that you taught me how to feed chickens and get there eggs as a child. Thank God I have not had to use this as an adult, but it has given me a lot of funny stories over the years. So thank you for the laughs. Love you always Judy wood Petitt*
