“ Many great memories from spending time with Ron Judd through Camping, Fishing, Hunting, Golfing, our gun club, or just talking on the phone. One heck of a Competitor. We won 3 TIGL golf team championships together (no other team has ever won more) and Ron was instrumental in captaining our teams. People at our gun club continue to ask about Ron because he was always reaching out to lend a helping hand to other members in need. Ron will continue to be missed by many.
