“ Pops, we took care of mom today and you would be proud. We hope you are happy with the headstone we got you and mom. I know you see everything we do and would be proud and also you would tell us if you could. Me and Tina talk about you sometimes and remember the stories you used to tell us. I wish you were here to tell us over and over again. We will get together again one day and you can tell us every story you ever had. We miss you and Love you and everybody else there with you. Keep an eye on us and keep us straight.
