“ *Linda and family,*

I was very sad to read about your husband's passing. You have always been there with your roses to brighten the days of the Walden Lake staff through sickness or celebrations. Hoping all you have done for others will help you through these difficult days. My deepest sympathy,

“ Dear Linda, Scott, Brian and family We were so sorry to miss the Celebration of Life for Ronnie. Ellis had out-patient surgery on Tuesday. We were in hopes that we would still be able to come after he was released. Unfortunately the surgery took longer than we expected. Please know that your family is in our thoughts and prayers. We have always considered the Maxwell family to be very special friends. Ronnie had that unique ability to light up a room when he entered. He will be greatly missed. Love you, Ellis and Jeanette Hall

“Ronnie, you and your family were good neighbors. I asked him once why all the strawberry farmers planted onions at the end of the rows of berries..He replied "to keep the elephants out of the fields. You haven't ever seen an elephant in a strawberry field now have ya?" A good man with a good sense of humor.. To the family, I am so sorry for the loss, I am sure he will be missed.
