“ I met Ronnie about seven years ago while working at Bobs Sports Grill in Plant City, I also met his sister Kim and his Dad. They were always in there competing in pool, what a great trio! When I think of Ronnie, I think of the good times playing cards in someone's barn or just hanging out at Big Dogs... He will be greatly missed by lots, may God be with the family, keep your heads up!!

“ It's difficult to move on when you know they're gone ... gone beyond our reach, leaving this mortal world behind. But they have left us memories that no one can take away, memories that will bring forth a smile and conquer the painful tears. It is time to remember them smiling, till we see them next in heavenly bliss.

“ I remember the first time I stayed at your house. You told me that if I fell asleep you would do something mean. I remember waking up with this painful burning on my pinkie toe. I couldn't believe you actually lit it on fire. Why we remained friends after that only God knows, but I will say that I'm glad we did. You became a brother to me. I will greatly miss you and all the good times we had together. Love you brother.

(Memories Live Forever) Sent From Heaven Up Above To Eternally Connect Us. To the People that we love.
To my pool playing little buddy. I will truly miss playing pool and poker with you and your Dad. All the times we had our lunches together at various places in town. Remembering all the talks, we had about your dad and all the things that we did together. Finally getting you to Leesburg bike event even though we could not get you on one of the bikes. Now you are with your Dad and I know you guys are watching out for the rest of the family down here. I will have a few of our Captain and Dr Pepper for you both. Try not to argue too much with the old man up there. I love you both.
