“ I was saddened to read of the loss of your loved one. I personally experienced the grief of losing my loved ones. However, there is comfort to know the Holy Scriptures gives the assurance that God will end death, pain and sorrow. Rev 21:3,4 I hope this brief Bible message brings comfort to you and your family.

“ My mom was a wonderful mother...she was caring, loving and always giving of herself. Memories will never leave my heart. My earliest childhood memories was playing in a sandbox with her back in the old house on Bolton Avenue. Moving upstate to a new home in Stony Point. I remember our "Family Vacation" where we traveled across America in our "Chevy Chase" station wagon. I remember us stopping in Wyoming and going out to the swimming pool and getting attacked by mosquitoes. I remember us going to Disney World it truly was a vacation of a lifetime. And then heading to a new life in Florida. She was always so caring and giving. I will never forget her love of turnips on Thanksgiving. It was never Thanksgiving unless Mom was trying to give me turnips. But the one thing I will always remember is how truly giving of herself she was. She always put others first and that was always her mantra. I truly have never seen anyone who has always put others first as my mom did. Mom, I always will love you and I know that angels are watching over you... wings wrapped gently around you... a new ROSE in heaven... whispering you are loved and blessed...  
Your loving son, Johnny
