“ I remember Rosey and Woody Nail from my childhood at Ft. McClellan, Alabama. They were great friends of my parents, and we had many happy times together as families. My Mom passed this year so I'm sure there has been a happy reunion in Heaven. Much love to Dennis and family.

“ I'm sitting here watching a program about Alzheimer's. I thought about Rosie. I knew her and husband Woody from church. She was always happy and smiling. I know the last couple years have been hard. She was lovely and will be missed.

“ I moved to Plant city from northern Maine in 1986. I was hired to teach at Wilson Elementary 4th/5th grade split. Rosie taught next door. She was a wonderful mentor. She helped me laugh when I wanted to cry.

“ I will remember Aunt Rose as always upbeat and always smiling. I didn't get to see her much because of the distance between our homes, but.. when I did it was always a good time. She was a special lady.. She will be missed.

“ *When I think of Aunt Rosie I think of her delicious divinity! She always made it look so pretty. It was my dad's favorite. I have yet to find anyplace that makes it as good as Aunt Rosie.*

I will always remember how my Uncle Woody loved his Rosella! He was so proud of her and took such great care of her as they got older.

Sending lots of love to the family!
